★ SREC SD 17 ★

Dear Delegate/Alternate:

Thank you, Tina Gibson, for the tireless work and dedication the last eight years as the SD 17 Committeewoman on the State Republican Executive Committee. You're truly inspiring!

Thank you to all who supported my efforts to be elected as the Committeewoman for SREC SD 17. It is truly an honor to both be elected and to also serve with Marvin Clede on SREC for the next two years.

Moving forward, my goal is to be on the new SREC Ballot Integrity Committee to make sure we have fair and balanced elections. I also want to continue to grow the Republican Party through both outreach and fundraising efforts, and work to ensure Republicans win elections in November. As your SREC SD 17 Committeewoman, be assured I will not just be a Harris County Representative only. I will work with leaders in Ft. Bend, Brazoria, and Harris Counties to ensure the integrity of our elections and also work with legislators to make sure we have strong election laws.

I truly value the opportunity to work alongside you over the next two years. Please do not hesitate to invite me to your events in SD 17 and also feel free to contact me by text or phone call at 281-236-8348. I welcome both new ideas and tried and true strategies to grow the party, fundraise, and ensure ballot integrity. I'm excited to help throughout SD 17 and to work toward ensuring our party is winning in the November 2018 General Election.

Again, I truly appreciate the support I have received and I look forward to working alongside you to #KeepTexasRed. God bless America, God bless Texas, and God bless you!
